Golden Jubilee Celebration - Releasing *Pragathi* by Honourable Education Minister Sri K.Sengottaiyan to Respected T.R Paarivendhar, Founder-Chancellor of SRM IST

*Dear Reader,*

It is my great pleasure to extend heartfelt greetings to the readers of this newsletter. This academic year is great in the milestone of SRM Nightingale school as we are celebrating Golden Jubilee year.

We are making great strides with student achievement thus far.

All human actions have one or more of these seven causes: chance, nature, compulsions, habit, reason, passion and desire. Our Mission, Futuristic goal and our action plan ought to have purified intention and sincere application, keeping in mind three rules of work:

- Out of clutter, find simplicity.
- From discord, find harmony.

- In the middle of difficulty, lies opportunity.

By the choices and actions, we create the person that we are.

Today's world is a 'new look' world altogether for its language and interactions. We speak in terms of 'networking' & clouds and interact in Skype, surfing, chatting. The world is at the finger tips of a computer savvy person.

In such a scenario, one needs to be abreast with this fast paced world. 'Website' is a necessary tool to be connected with the world and vice-versa. All the colourful happenings in SRM Nightingale be known to all and sundry who log on to [www.srmnightingaleschool.edu.in](http://www.srmnightingaleschool.edu.in). I appreciate, and applaud all the contribution made by the editorial team and all those who made it happen on time. God bless you all!
